BIRTHDAY BOX PROJECT

WHAT IS A BIRTHDAY BOX?

Birthday boxes contain everything one needs for a “happy birthday!” See content list below for complete inventory. Birthday boxes can be created for: SMALL CHILD (< 2 yrs), BOY, GIRL, ADULT FEMALE, and ADULT MALE.

HOW CAN MY GROUP HELP?

The D300 Food Pantry distributes Birthday Boxes to pantry clients on a monthly basis. We are always seeking groups that would like to take on this project by committing to provide one month’s supply of boxes. One month’s supply of boxes is 25-40.

HOW DO WE GET STARTED?

If your group would like to commit to this project, contact donate@d300foodpantry.org to schedule a specific month.

HOW DOES MY GROUP COMPLETE THIS PROJECT?

Once you have your month, you simply plan any necessary fundraising/donation drives around that timeframe so you have the necessary items (or funds to purchase items). Once you have all the items needed, set a date for your group to gather and assemble. Boxes should be wrapped and labeled. A template of the label is available.
